Disaster Damage Reporting Form For PRIMARY Residences

Version 1.0

The purpose of this form is to collect information of primary residences affected by this incident in order to make a preliminary assessment of damages following a disaster. Detached garages and storage buildings, secondary homes and recreational homes are not to be reported. After filling out this form, click the "Submit by E-mail" button and send the xml file generated as an attachment to ecc.kc@kingcounty.gov. You may print this form before submitting via e-mail and keep it for your records.

THIS IS NOT A CLAIMS FORM
