		9. Geotechnical, E23007E, Prime: CDM, Inc. 10. Development of Independent Project Cost Targets for WTD Capital Projects, P43016P, Prime: Currie and Brown
2.2	16	**VIII. EVALUATION CRITERIA AND SUBMITTAL INFORMATION A. Specialized Experience and Technical Competence – Paragraph 1.** Paragraph 1. is hereby deleted and replaced with the following: 1. The County will evaluate the experience, technical competence and qualifications of the Project Team, their project specific roles and responsibilities, and overall organization of the Project Team. Emphasis will be placed on experience and expertise in performing work of similar scope and complexity. Similar scope and complexity means: a. Team includes nationally recognized experts on major public capital improvement project with a construction value of $200 million or more; b. Team member(s) have experience with wastewater treatment facilities of similar scope and scale to the Brightwater project. Similar scope and scale means performing oversight monitoring services on a public or private project that includes a new wastewater, water, or industrial process facility with flows of 30 to 60 million gallons per day and construction costs of
