KING COUNTY TAXING AUTHORITIES

- Notes:
- (1) The state constitution limits the aggregate levy of the affected authorities to 1% of *market* value (unlike other limits, which apply to assessed value). Normally, this effectively raises the limit. In 2001 the effective limit was \$10.72 per \$1,000 of *assessed* value.
 - (2) RCW 84.52.043 limits the aggregate levy of affected authorities to \$5.90 per \$1,000 of assessed value.
 - (3) Chapter 84.55 RCW limits affected taxing authorities' regular levy to a percentage (ranging from inflation to 106%) of its highest authorized levy since 1986.
 - (4) Types of excess levies (if any) the taxing authority may put before the voters.
 - (5) The limitation of \$3.60 applies to *market* value. The rate applied locally to assessed value may exceed \$3.60.
 - (6) The various districts of this type totally cover the county.
-
