

King County

HOW WOULD YOU CHANGE COUNTY GOVERNMENT?

Do you have an idea for improving King County government?
Every 10 years, a citizen commission reviews the county
charter, the constitution for our county.

Now is your chance to tell the commission what you would
change about how the county does business.

Please join us for an informal public hearing:

Thursday, June 14, 6:30-8pm
Bellevue Community College

Building C, Room 120 ANB
3000 Landerholm Circle SE, Bellevue WA

Many members of the Charter Review Commission will be
present to hear your issues.
