Rotary Clubs in King County

King County, WA • Various dates

King County
Elections

Over the course of the summer, the King County Elections Outreach Team gave accessible voting unit (AVU) presentations to local Rotary chapters in King County: Issaquah Rotary, Renton Rotary, Rotary Club of Auburn, Rainer Rotary Club and University District Rotary.

Response from Rotary members was very positive. These well-informed groups are very active in their community, with some groups specifically involved with the disabled community.

Each Rotary Club meeting was well attended and the members were extremely welcoming and interested. Insightful questions regarding how the AVU would help King County were brought up, as were questions concerning new voting procedures and how King County has improved from previous elections. The Rotary Clubs were grateful for our visit as our issues were very important and relevant to everyone in the room.

Audience:

Issaquah Rotary: 40 attendees
Renton Rotary: 25 attendees
Rotary Club of Auburn: 40 attendees
Rainer Rotary Club: 30 attendees
University District Rotary: 60 attendees

On behalf of speakers at each of their meetings, the Rotary Clubs traditionally donate food on the speaker's behalf to *Rotary First Harvest*. Altogether, 4,210 lbs. of food were donated on behalf of the King County Elections Outreach Team.

Rotary history

The first Rotary club was established in Chicago, Illinois, in 1905 by Paul P. Harris. Their mission is to “give back to their community by providing humanitarian services, encourage high ethical standards in all vocations, and to help build goodwill and peace in the world.”
