

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

NONMAJOR SPECIAL REVENUE FUNDS

Alcoholism and Substance Abuse Services Fund – Finances detoxification, treatment, and other services to the alcohol or drug abuser and his or her family.

Arts and Cultural Development Fund – Acts as a conduit to transfer money to the Cultural Development Authority. Revenue sources include the county's tax on hotel/motel rooms, one percent of county expenditures for certain construction projects, and a small amount of county general tax revenue.

Automated Fingerprint Identification System Fund – Accounts for the receipt of revenues and disbursement of expenditures related to the acquisition and implementation of a regional Automated Fingerprint Identification System (AFIS) for King County. The AFIS database consists of more than 500,000 people's print files from King County, the City of Seattle, and 42 police agencies within the region. This database is also electronically connected to the Washington State Patrol, California Department of Justice, and the Western Identification Network, an AFIS database shared by seven western states, giving access to nearly 20 million sets of fingerprints. Included in this system is the electronic fingerprint capture and transmission to AFIS, known as Live Scan. There are currently 34 Live Scan units throughout King County.

Clark Contract Administration Fund – Accounts for administrative and related costs associated with the Clark Contract class action lawsuit of individuals who previously worked for King County or the former Municipality of Metropolitan Seattle under temporary services agencies and who claim they were paid as independent contractors when they fall under the common law definition of employees eligible for full benefits.

Community Development Block Grant Fund – Accounts for Federal grants received from the United States Department of Housing and Urban Development under the Housing and Community Development Act.

County Road Fund – Finances the construction, maintenance, preservation, and inspection of county streets and roads.

Development and Environmental Services Fund – Mission includes: (1) administration of the King County building, housing, fire, energy, shoreline management, zoning, and subdivision codes; (2) ensuring that development complies with the requirements of the State Environmental Policy Act (SEPA) and King County's environmental code, procedures, and regulations; (3) protecting natural resources, natural areas, sensitive areas, and water bodies in the County; (4) managing County review of building applications and issuing permits; (5) conducting fire prevention and investigation activities; (6) reviewing and inspecting proposed land developments; and (7) administering the County's drainage regulation policies through review of land development permit applications.

Developmental Disabilities Fund – Finances assistance to individuals who have developmental disabilities, including information, referral, advocacy and outreach activities, employment services, community support programs, and housing referral and information services. The fund also accounts for the provision of early intervention services for birth to three-year-old children and their families.

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

Emergency Medical Services Fund – Finances emergency medical services programs for developing, implementing, and administering various emergency medical services in cooperation with King County fire districts. This fund also provides contract funds for financing certain paramedic and other emergency medical services programs in the County.

Enhanced 911 Emergency Telephone System Fund – Accounts for the receipt of E-911 excise tax revenues and the disbursement of expenditures related to the management of the Enhanced 911 Emergency Telephone System with participating jurisdictions in King County.

Flood Control Zone District Funds under chapter 86.15 RCW:

Green River District Fund – Provides for operation and maintenance of the Green River pump stations, maintenance of Green River levees and revetments, and administration of the Green River Flood Control Zone District.

Kimball Creek District Fund – Inactive.

Southwest Lake Sammamish District Fund – Inactive.

West Lake Sammamish District Fund – Inactive.

Intercounty River Improvement Fund – Set up under chapter 86.13 RCW, in partnership with Pierce County, to finance necessary improvements to the White River.

Local Hazardous Waste Fund – Accounts for financial resources used to support the Local Hazardous Waste Management Program established pursuant to chapter 70.105.220 RCW. The Local Hazardous Waste Management Program works to protect and enhance public health and environmental quality in King County by helping citizens, businesses and government reduce the threat posed by the use, storage, and disposal of hazardous materials.

Logan/Knox Settlement Fund – Accounts for costs of the Logan/Knox settlement of class action lawsuits involving the County's use of temporary and part-time employees in contravention of the County Charter's Career Service provisions.

Mental Health Fund – Accounts for the King County Mental Health Regional Support Network, one of 14 Regional Support Networks in the State of Washington. This fund provides for operation of the involuntary treatment program, the provision of mental health services for children and adults, and community services for these individuals. This fund also includes criminal justice-related programs to reduce jail populations.

Miscellaneous Grants Fund – Accounts for various federal, state, and local government grants.

Noxious Weed Control Fund – Accounts for the special assessment revenue and the cost of operation of the King County noxious weed control program.

Parks and Recreation Fund – Serves communities and enhances the quality of life through partnerships, entrepreneurial initiative, and environmentally sound stewardship of regional and rural parks, trails, natural lands, and recreational facilities.

Parks Trust and Contribution – Accounts for gifts, bequests, and donations of money to the county for parks and recreation purposes.

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

Recorder's Operation and Maintenance Fund – Accounts for all revenues collected from an additional recording fee for the sole purpose of acquiring, installing, and maintaining an improved system for copying, preserving, and indexing documents recorded in, or filed with, King County Records, Elections and Licensing Services Division.

Risk Abatement Fund – Processes the administrative and related costs associated with settlements of class action lawsuits filed against King County.

River Improvement Fund – Accounts for all river improvement levy funds collected under authority granted by chapter 86.12 RCW. Levy proceeds may be used to plan, construct, maintain, operate, and regulate flood control facilities. The fund is also used to account for Green River Flood Control District levy funds consistent with agreements with King County and the Districts.

Road Improvement Districts Maintenance Fund – There are currently three active Road Improvement Districts (RID), numbers 57, 107, and 110, accounting for special assessments.

Surface Water Management Fund – Accounts for all service charge revenue and expenditures for the maintenance and operation of surface and storm water management facilities pursuant to King County Code 9.08.110.

Treasurer's Operations and Maintenance Fund – Accounts for the revenues received and costs incurred in the foreclosure, distraint, and sale of real and personal property for delinquent taxes, and to defray the costs of further foreclosures, distraints, and sales for delinquent taxes.

Veterans' Relief Fund – Finances emergency financial assistance, counseling services, employment opportunities, and referrals to other agencies for specialized services for veterans and their dependents.

Youth Employment Programs Fund – Receives revenues from the United States Department of Labor under the Workforce Investment Act. The programs benefit youths and young adults aged 14 through 24 who are completing their education and developing skills that lead to obtaining employment.

Youth Sports Facilities Grant Fund – Accounts for 25 percent of the proceeds of sales or use tax levied upon retail car rentals within King County to fund youth sports facilities.

NONMAJOR DEBT SERVICE FUNDS

Limited General Obligation Bond Redemption Fund – Accumulates funds for payment of those bonds which have been issued without a vote of the people. This fund is supported by various sources, including property taxes, a share of the hotel/motel tax, auto rental sales and use taxes, other revenues, and transfers from various county funds. Two subfunds are used to segregate revenues, including sales tax, state lottery allocation, and related interest earnings, which are dedicated to debt service on bonds issued to construct a baseball stadium owned by the Washington State Major League Baseball Stadium Public Facilities District.

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

Road Improvement Districts Special Assessment Debt Redemption Fund – Reports special assessment collection and debt service payment for Road Improvement District special assessment debt for which the government is liable in the event of default by the property owners subject to the assessment.

Road Improvement Guaranty Fund – Accumulates funds to ensure payment of County Road Improvement Districts' special assessment bonds.

Stadium General Obligation Bond Redemption Fund – Accumulates funds for payment of bond issues for Kingdome construction which have a 3/5-approval vote of the people. The debt service for this fund is financed by a share of the hotel/motel tax.

Unlimited General Obligation Bond Redemption Fund – Accumulates funds for payment of those bonds which have been issued with a 3/5-approval vote of the people, except those issued for Kingdome construction which are accounted for in a separate fund. Property taxes are levied to finance annual debt service.

NONMAJOR CAPITAL PROJECT FUNDS

Arts and Historic Preservation Capital Funds – Resources in this fund are being used for King County landmarks and historic projects under the Historic Preservation Program. Other subfunds are in various stages of closure with the residual balances to be transferred to the Cultural Development Authority of King County (CDA).

Arts Construction Fund – The Arts Construction Fund is slated for closure in 2006; residual balances are to be transferred to the CDA.

Building Construction and Improvement Fund – Established to account for the proceeds of short-term bond anticipation notes and general obligation bonds for building construction and improvement projects. This fund also reimburses expenditures for the actual construction projects.

Building Repair and Replacement Fund – Accounts for receipts and expenditures related to the repair and replacement of various County building construction and capital improvement projects, among them construction and improvements to the County Courthouse, the King County Aquatic Center, and Issaquah District Court.

Cable Communications and Institutional Network Capital Fund – Established to account for the receipt and disbursement of funds used to construct cable television projects and to segregate excess earnings on bond proceeds. This fund is slated for closure in 2006.

Capital Acquisition and County Facilities Renovation Funds – Consists of seven subfunds established to segregate projects and arbitrage liabilities. The Capital Acquisitions and County Facilities Renovation subfund 1993 was established to account for the receipt of bond proceeds of \$22.3 million for improvements to County facilities, for acquisition of real property and equipment, and for capital grants. The Capital Acquisition and Renovation subfund 1993 Series B was established to account for the receipt of bond proceeds of \$11.7 million for improvements and capital grants.

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

Conservation Futures Levy Fund – Established to account for the receipt and disbursement of conservation futures levy proceeds for the open space acquisition program.

County Road Construction Fund – Established to account for the receipt and disbursement of funds received through a subsidy from the County Road Fund and Federal road grants for construction of County roads. Receipts from the mitigation payment system trust fund, although legally segregated, are included in this fund for reporting purposes.

Emergency Communications System Fund – Established to support the development of a regional emergency radio communication system funded by a general tax levy.

Farmland and Open Space Acquisition Fund – Consists of three subfunds for projects and an arbitrage liability subfund. The Farmland and Open Space Acquisition Fund was established to account for the proceeds of voter-approved (unlimited) bonds to be used to acquire eligible, voluntarily-offered development rights of farm and open space land. The Farmland Preservation 1996 Bond subfund accounts for the bond proceeds designated for acquisition of real property to preserve critical farmlands. The Agriculture Preservation subfund was created to finance farmland preservation and to encourage, maintain, and support agricultural activity.

Health Centers Construction Fund – Established to account for the receipts and disbursement of funds for construction of the North District Multiservice Center. This fund has been authorized for closure in 2006.

Housing Opportunity Acquisition Fund – Established to account for receipts from real estate excise taxes that are to be used to acquire, renovate and/or construct housing for qualified low-income families, senior citizens, and the homeless in the County.

Information and Telecommunication Services Capital Fund – Established in 2001, this fund accounts for equipment replacements and general purpose technology projects managed by the ITS Division.

Jail Renovation and Construction Fund – Originally established to account for the construction of the King County Correctional Facility. This fund is in the closure stage.

Long-term Leases Fund – Accounts for periodic payments on office space leases entered into by King County agencies.

Major Maintenance Reserve Fund – Established in 1993 to meet the County's ongoing major maintenance requirements for county-owned buildings and grounds.

Neighborhood Parks and Open Space Acquisition and Development Fund – Established to account for the amount paid to King County as fees in lieu of land dedication or reservation for parks and open space and the disbursement of funds for purposes authorized under King County Ordinance 5596. The fund accounts for revenue by school district.

Office of Information Resource Management Capital Fund – Established to account for funds used to support the financial management of the County's capital technology projects.

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

Open Space Projects Acquisition and Improvement Fund – Established to account for \$117.6 million of bond proceeds from a 1990 voter-approved bond issue to used in the acquisition, development and/or improvement of public green space, green belt, open space, and parks and trail projects in King County, the City of Seattle, and certain suburban jurisdictions. This fund also accounts for any nonbond revenues supplementing the bonds and short-term borrowing activity.

Park Facilities Rehabilitation Fund – Established to account for receipt and disbursement of funds for rehabilitation of parks facilities within the term of the program.

Parks CIP Funds – Consists of two bond-funded subfunds established in 1993, a grant-funded subfund, and two subfunds established to segregate excess earnings on bond proceeds. Bond proceeds were issued in 1993 for the purpose of acquiring real property for parks and open space. The two bond-funded subfunds are slated for closure in 2006. The Urban Restoration and Habitat Restoration subfund was established to fund restoration projects mostly through grants.

Parks, Recreation and Open Space Fund – Established to account for the revenues and expenditures for park acquisition and development. This fund is in the closure stage.

Public Art Fund – The One Percent for Art program is now managed by the Cultural Development Authority of King County (CDA). Residual interest earnings in this fund, with the exception of amounts segregated for arbitrage tax liability, will be transferred to the CDA. This fund is in the closure stage.

Real Estate Excise Tax Capital Fund – Consists of a subfund accounting for the proceeds of the one-quarter of one percent excise tax on the sale of real property in unincorporated King County that can be programmed for public investment in infrastructure required to support private development. A second subfund accounts for a separate excise tax of one-quarter of one percent on the sale of real property in unincorporated King County that may be programmed for the planning, construction, reconstruction, rehabilitation, or improvement of parks located in unincorporated King County. The cash balances in the REET CIP subfunds are invested for the benefit of the General Fund.

Regional Justice Center Construction Fund – Currently being used to account for facility improvement projects in the Regional Justice Center complex. In the past this fund accounted for the costs incurred in the planning, acquisition, and construction of the Regional Justice Center.

Renton Maintenance Facilities Construction Fund – Established to account for the construction of the Department of Public Works Consolidated Office and Shop Facilities and is now being used to account for construction and improvement of other Roads Division facilities.

Road Improvement Districts Construction Fund – Created to comply with Statement 6, "Accounting and Financial Reporting for Special Assessments" of the Governmental Accounting Standards Board. This fund reports the combined construction activity of the County's road improvement districts. These special assessment districts are authorized in chapter 36.88 RCW.

**NONMAJOR GOVERNMENTAL FUNDS
DECEMBER 31, 2005**

Surface and Storm Water Management Construction Fund – Established to account for the receipt of proceeds from the Surface Water service charges and the disbursement of expenditures for construction and related costs for the acquisition and development of drainage control facilities.

Surface Water Management Construction Fund – Established to account for revenues from various sources, particularly proceeds from bond issues, specifically earmarked for the continuation and expansion of the King County Surface Water Management program.

Technology 1997 Bonds Fund – Established to account for \$39.4 million of bond proceeds from 1997 that were earmarked for technological improvements in several County agencies.

Technology Systems Capital Fund – Formerly titled Core GIS Capital Fund. It consists of two subfunds established in 1993 and 1995 to account for the receipt of bond proceeds to be used for various technology-related projects, and two subfunds established to segregate projects and arbitrage liabilities.

Transfer of Development Credit Program Fund – Established to account for the purchase and sale of development credits under the transfer of development credit program.

Working Forest Fund – Established to account for receipt and disbursement of bond proceeds to be used to acquire real property interests to preserve sustainable forest production lands, and to account for the receipt and disbursement of Title III forest revenues.

Youth Detention Facility 1990 Series B Fund – Established to account for \$1.2 million of bond proceeds used to construct additional improvements to the Youth Center Detention Facility. This fund is in the closing stages and no statements are presented due to insignificant activity and balances.

Youth Services Detention Facility Construction Fund – Established to account for receipt and disbursement of \$14.2 million in bond proceeds. This fund is in the closure stage.

Youth Services Facilities Construction Fund – Accounts for the receipt and disbursement of voter-approved Forward Thrust Bonds totaling \$6.1 million in 1968 for expansion of the King County Youth Services Center. The fund is now used to account for planning future Youth Services facilities.
