RE: Kent Kangley Road Closing and Rock Creek Bridge Repairs.

Dear Mary:

On behalf of the City of Kent, we would like to convey our sincere appreciation to the personnel who worked on and coordinated the emergency repairs on the City of Kent's Rock Creek Bridge, located approximately 1 mile east of 4 Corners in Maple Valley (the intersection of SR 169 and SR 516). We were impressed by the quick response and the quality of work that went into the repairs.

We recognize how inconvenient these type of closures can be, and want you to know how much we appreciate how accommodating your crews were on such short notice. It is difficult to adequately express our gratitude and appreciation for the superb efforts of your agency. We would have no hesitation in recommending you to another agency for bridge repairs.

Sincerely,

Don Millett,
Public Works Operations Manager

Larry R. Blanchard,
Public Works Director
